

The Historic Church of Saint Patrick

Preservation Society

Established 1980 by Rev. John "Archie" Thomas

"The Mission of the Preservation Society is nothing less than to secure the structural and aesthetic integrity of the Historic Church of Saint Patrick. This charge is not lightly given for it demands that the society consider not merely the present, but those future generations who will come behind us so that they might find in this majestic temple a suitable place for the worship, adoration and glorification of our loving God."

- Arch Thomas

As we continue our historic journey, we invite you to pause for a moment to allow the grandeur of this holy house of God to embrace you in a visual depiction of the Covenant between God and humanity: I will be your God, you will be my beloved!

This year, the March Calendar Lottery will 100% support the Preservation Society and the future projects it supports as well as those structural and building needs that crop up from time to time.

The goal is to sell all 1000 tickets, guaranteeing 31 daily winners and a payout of \$3350, leaving \$6650 for the Preservation Society. A nice-sized fundraiser indeed!
