Blessing Of Easter Food

In some European countries the blessing of Easter foods is an important tradition. This blessing is still found in the updated Roman Ritual, and is a wonderful practice. Many parishes still participate in this custom of the blessing of the Easter food or baskets. The blessing is done on Holy Saturday and shared on Easter Sunday morning with family and friends. It is said that the blessed food may promote health of body, and salvation of the soul for those who partake of it. There is a specific blessing for each type of food included in the basket. Traditionally, they include sausage, bread, cheese, eggs, lamb (cake or butter), pastry, horseradish, wine, and salt. Children's Easter baskets can also be brought to be blessed. **ALL** are welcome to this food blessing on **SATURDAY, April 4th at 11:30 am**
at The Historic Church of St. Patrick

Triduum: A Spiritual Pilgrimage

Triduum: A Spiritual Pilgrimage cinematically walks through the locations of the Holy Week story, representing the most important days of human history. Immersed in the Holy Land, the pilgrim is brought tangibly nearer to the story, the landscape, and the reality of the Passion, Death, and Resurrection of Jesus Christ.

The Last Days: The Passion and Death of Jesus the Christ w/ Jonathan Roumie

This filmed presentation of the theatrical production movingly recreates the final moments of Jesus' earthly ministry as a teacher through His crucifixion and death. The play has been seen by thousands worldwide, not only as a live performance but also in live streams and televised broadcasts.

Understanding Palm Sunday

Focusing on the Biblical account of Jesus' triumphal entry into Jerusalem, Dr. Tim Gray and Dr. Ben Akers break open the meaning of why Jesus rode on a donkey, the significance of the palm branches and the singing of Hosanna, and how this event launched Holy Week and the redemption of the world.
