

In the Year of St. Francis

Celebrating his feast day

4 October

To mark the Year of St. Francis we're extending an invitation to parishioners and friends of the Historic Church of St. Patrick to consider donating a statue of Francis for our Stations Garden to replace Brendan the Navigator who has navigated to the plaza in front of the church. A donor or donors may design their own imagery which our artists and sculptors will use to create the statue. Donor(s) may wish to memorialize a loved one by using their face for the saint. If interested, please contact the parish office and you'll be given the details.

October is the month of the Rosary

- * The Rosary is a biblical prayer; with each prayer and meditation having its source in the Bible.
- * The Rosary began in the third century, evolving over time and taking on its present form in the 13th century by St. Dominic.
- * In 1917 in Fatima, Portugal; Mary revealed her identity to the Fatima children as Our Lady of the Rosary.
- * When saying the Rosary, we ponder the life of Jesus through the eyes of His mother.
- * Pope St. John Paul II said the Rosary was his favorite prayer.
- * The Rosary is a powerful spiritual weapon against evil.
- * No time - no problem: the Rosary can be said in 15 minutes.
- * If you fall asleep while saying the Rosary, the angels will finish it for you.
- * Develop the habit of saying the Rosary, and it will change your life in unimaginable ways.
- * May Our Lady of the Rosary bless you and your loved ones with her loving maternal way and burning immaculate heart.

Into Great Silence

Nestled deep in the postcard-perfect French Alps, the Grande Chartreuse is considered one of the world's most ascetic monasteries. In 1984, German filmmaker Philip Gröning wrote to the Carthusian order for permission to make a documentary about them. They said they would get back to him. Sixteen years later, they were ready.
